Performance Trend Analysis

📝 G11 Writing Excellence (+5 Point Growth)

Writing represents Neviah's strongest area of achievement. Starting from an **88%** baseline in October 2025, writing skills advanced steadily to reach a high of **93%** in May 2026.

📖 G11 English Grade Acceleration (+10 Point Growth)

Overall English performance showed a strong upward rebound, rising from a **75%** mid-year evaluation in February 2026 to finish strong at **85%** in June 2026.

📖 G11 Vocabulary Consistency (+1 Point Growth)

Vocabulary performance remained stable across the spring semester, moving from **78%** in February 2026 to **79%** in June 2026, marking an area for targeted growth.

Academic Recommendations & Action Items

- **Strengthen Vocabulary Mastery:** Introduce targeted Grade 11 vocabulary study routines to push performance from 79% into the 85%+ range.

- **Sustain High Writing Standards:** Build upon strong writing abilities (93%) by practicing advanced rhetoric, research synthesis, and college-preparatory essays.
- **Maintain English Grade Momentum:** Continue structured review strategies to keep overall English performance trajectory above 85%.
