Performance Trend Analysis

Remarkable Long-Term Growth (+46 Points)

LPinilla has demonstrated extraordinary progress over the 18-month monitoring period. Beginning at a baseline score of **33%** in Grade 6 math (October 2023), the student steadily surged forward to reach **58%** by May 2024, showing strong foundational learning.

Successful Pre-Algebra Advancement

Upon advancing to Pre-Algebra in late 2024, LPinilla maintained an upward trajectory, starting with **61%** in September 2024 and expanding to a strong **79% (Proficient)** by April 2025—reflecting a total improvement of 46 percentage points.

Academic Recommendations & Action Items

- **Sustain Pre-Algebra Momentum:** Build upon the solid 79% score achieved in April 2025 to aim for 80%+ mastery in remaining Pre-Algebra modules.
- **Reinforce Key Algebraic Foundations:** Continue targeted review on foundational multi-step linear equations and rational numbers to solidify higher-level problem-solving skills.
- **Acknowledge & Encourage Growth:** Celebrate the student's exceptional perseverance and substantial score gains from Grade 6 to Pre-Algebra.
